

Volleyball Camp Return to Play Procedures

Parent Information

Capacity

- Camp will be limited to 10 participants

Schedule

- Monday, August 24th - Thursday, August 27th
- 5:30pm - 7:00pm
- YMCA Gym

Equipment

- The YMCA will provide all equipment needed for participants.
- Please do not bring your own equipment to camp.

Disinfecting & Cleaning

- All equipment will be cleaned before the start and end of each day
- Use Electrostatic Sprayer on all equipment
- Spray Bottle & Paper Towels will be available if necessary
- Hand Sanitizer available inside of gym; participants must use before, during and after each session
- The YMCA will provide all cleaning equipment and solutions, please do not bring your own.

Participants

- Must wear masks
 - Do not need to wear masks when they directly exerting themselves
- Sanitize hands before and after each session and at water breaks
- Encourage social distancing between other participants.

Instructors

- Must wear masks
- Instructors will frequently sanitize throughout the session

Spectators

- One (1) parent per family for drop off and they will not be able to stay and watch
 - Please do not bring in any additional children when dropping off camper.

Temperature Checks and Health Screening

- Done by the front desk before they are able to be let beyond the desk.
- Parents will need to be present for this part to help with answering questions.
- If a participant answers yes to any questions on the screening form or their temperature is over 100.3, they will need to go home and will not be able to come back for 10 days and have been fever and symptom free for 3 days.
- Encourage participants not do anything before practice or games that will raise their temperature, Examples: Running through the parking lot.
- Kids will be able to have their temperature re-checked if their initial reading is over 100.3 degrees and parents feel that the reading is not accurate.
 - They will sit in the lobby for 10-15 minutes for them to cool down. After that time, their temperature can be taken again. If it is still over 100.3 degrees, they will need to go home.

Masks/Bufs

- 1 mask/buff will be provided to each participant as part of their registration.
- Masks will need to be worn at all times when participants are not exerting themselves through physical activity.
 - Stretching/Warm Up
 - Arriving to or leaving the facility

Other

- Bathrooms are available for use, participants are encouraged to go before they come to volleyball.
- There is currently only a water bottle filling station available at the water fountain in YMCA, encourage participants to bring their own water bottle **labeled** with their name to volleyball
- If there is a COVID-19 Exposure during this program, the YMCA will follow the guidelines and guidance of the local health department.
