# DAY CAMP

## AGES 6-12

Day Camp at Camp Torenta is a way for your child to get a taste of the simple life. Unplugged and outdoors! The activities at camp create and build memories that last a lifetime. Each week has its own theme and activities that reflect it. All activities are geared to encourage participation and expose campers to new experiences. Above all, camp teaches character development and values that last a lifetime: caring, honesty, respect and responsibility. Send your camper to Camp Torenta Day Camp this summer so they can see what the “**BEST. SUMMER. EVER.**” is all about! With a camper to staff ratio that never exceeds nine to one, we strive to give the highest level of care to all campers!
